

A large, stylized leaf is embossed into the dark, textured background of the cover. The leaf's veins are clearly defined, and its shape is elongated with a pointed tip.

By this shall all men know that you are my disciples, if you have . . .

... *Loving* ...

*Although All Else Will Pass Away,
God's Greatest Gift, Love, Will
Never Pass Away.*

. . . *Ministries* . . .

*We Are All Called To
Minister The Word So
That Others Too May
Learn About Jesus
And Here At
Montreat There Are
Many Opportunities
To Do This.*

... *Sharing* ...

*Because We Are All Part Of The
Family Of God, We Share With Each
Other Our Joys, Problems, And Our
Experiences.*

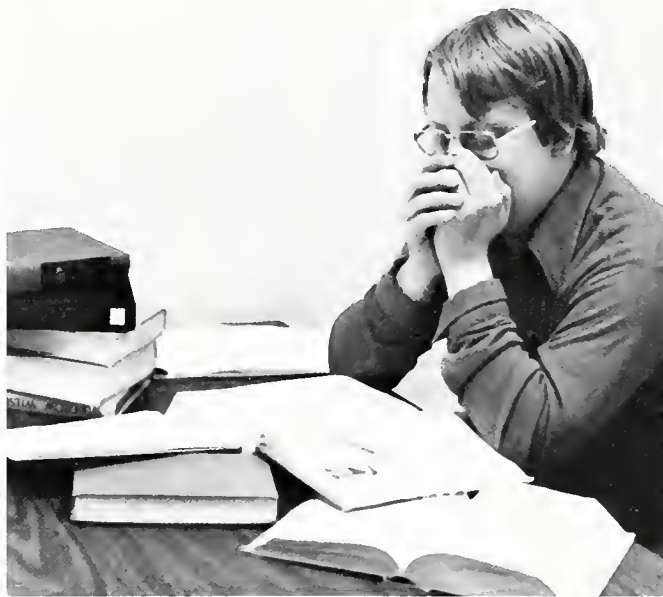

... *Rejoicing* ...

*We Rejoice In All Things For We Know
That All That Is Good Comes From The
Lord.*

.... *Learning*

*We Must Exercise The Mind
Of Christ Which God Has
Given Us So That We May
Gain Wisdom And Knowledge.*

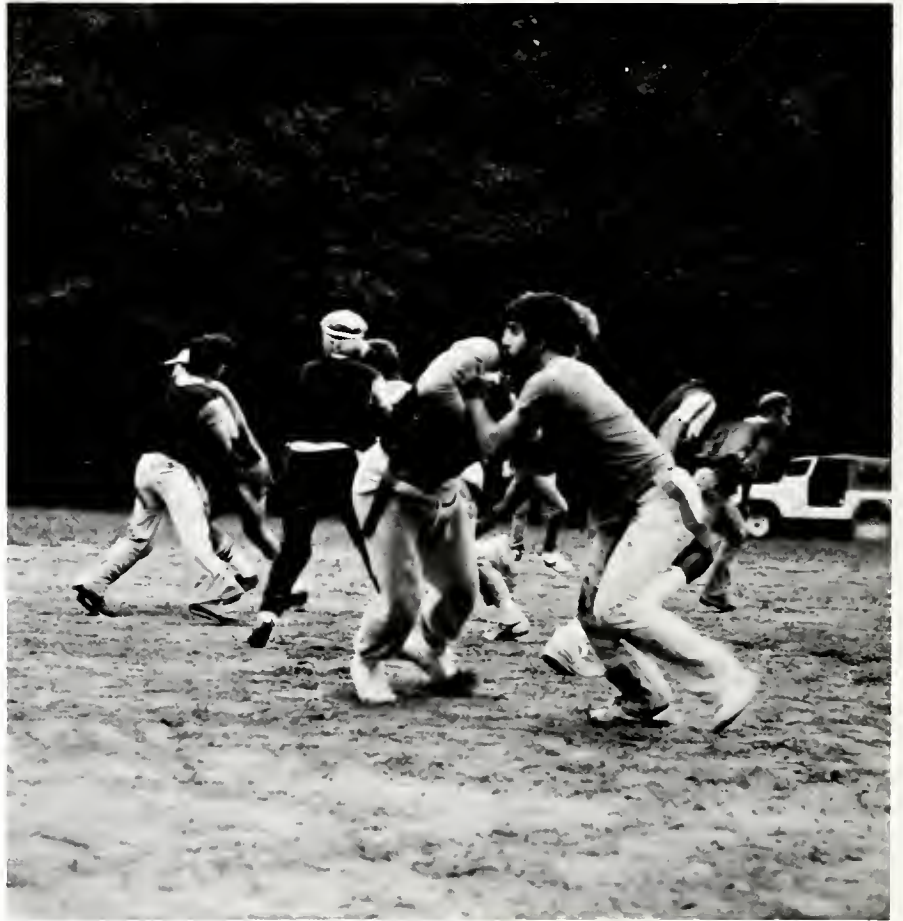

... *Prayer* ...

*Prayer, Which Is
A Tool Given By
God, Is The Way
By Which We
Grow Stronger In
All Areas Of
Life.*

... Body Building ...

Because Our Bodies Are Temples Of The Holy Spirit, We Should Use Them To Give Glory To God By Keeping Physically Strong.

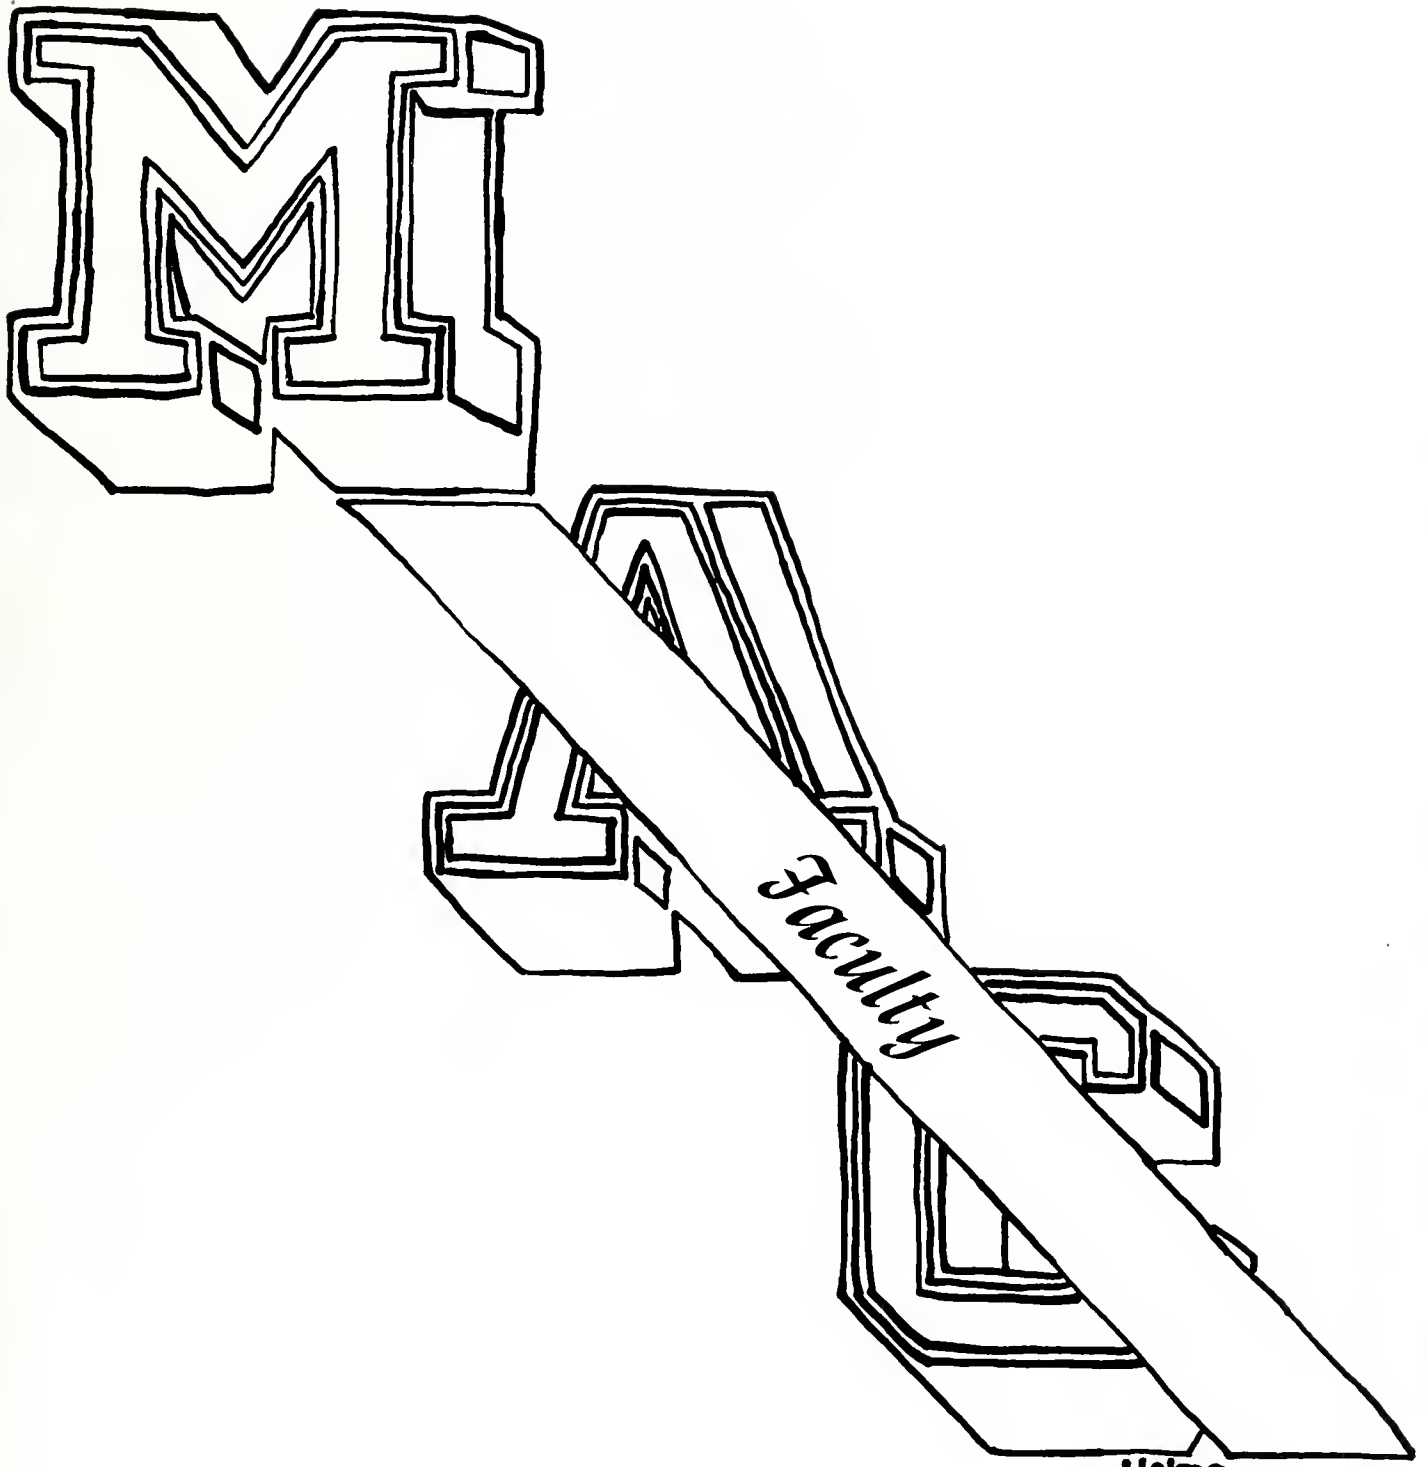

... Fellowship ...

*By Fellowshiping With Each Other In The

Homecoming Day Events

The first Saturday in October was a thrilling time for students at MAC, especially for the Sophomores because old students visited MONTREAT-ANDERSON for the Homecoming game and dance. We played Piedmont Bible College at Rockmount Field during the afternoon, then the dance was later in the evening. Donna Ruth Osborne was in charge of the plans for the dance. She received help from the Student Activities Committee. It was a day we will always remember.

Halloween Party '79.

Every year MAC students have a chance to dress up for Halloween and attend a party hosted by McGregor Dorm. Prizes of cakes, baked by various students, were given away for the best and most original costumes, for individuals and couples both. This year the ghost wedding couple won for best all around. Judging was done by Mary Horner, assistant resident of MA-HALL.

Dances at MAC.

Montreat-Anderson holds many types of dances for the students during the weekends. Square Dancing is a favorite, especially when the Stoney Creek Boys come and play for us.

Our own Dean Larry Wilson does the calling for the dances. Other types of dances are street dances and discos. We have both formal and informal discos.

Our formal dances are in October for Homecoming and in April for the Spring Dance. All students are encouraged to attend, with or without dates, to enjoy MAC's super dances.

Talent Night

MAC has three different talent shows throughout the year. One is the Sophomores entertain Freshman, another is Sophomores and Freshman entertain prospective students and the last one is when Freshman entertains Sophomores. On these talent-filled nights Mac introduces great talents such as singing, skits, different instruments played, also there is always two very talented emcees.

Fall Festival — MAC held its first fall festival this year in the Howerton parking lot. Each dorm was represented with different booths containing different activities. Various rewards were given out for baking contests, crafts, and prizes for the different games provided. The festival was arranged by the Student Activities and the Student Government. Special funds were provided through this event to help various clubs throughout the campus.

The Christmas Spirit At MAE

Every year around Christmas time the students of Montreat-Anderson, are filled with a special joy, inspite of the last minute rush to finish term papers and study for exams. To express the joy of Christmas each dorm is busy decorating their lobbies and floors for the annual Christmas judging. The judging is done by local staff and friends and cash prizes are awarded for the best dorm lobby and the best floor in each dorm. It is an exciting way to get ready for the Christmas season and to enjoy the Spirit of Christmas together.

Drama

Here at Montreat-Anderson, we are blessed with a talented Drama Club as we observed when they performed the play titled, **The Twelve Angry Jurors**. The club rehearses and performs for the student body and the Montreat community throughout the school year. They are under the direction of Miss Franc Tamboli, new to the faculty this year.

Auto Rally

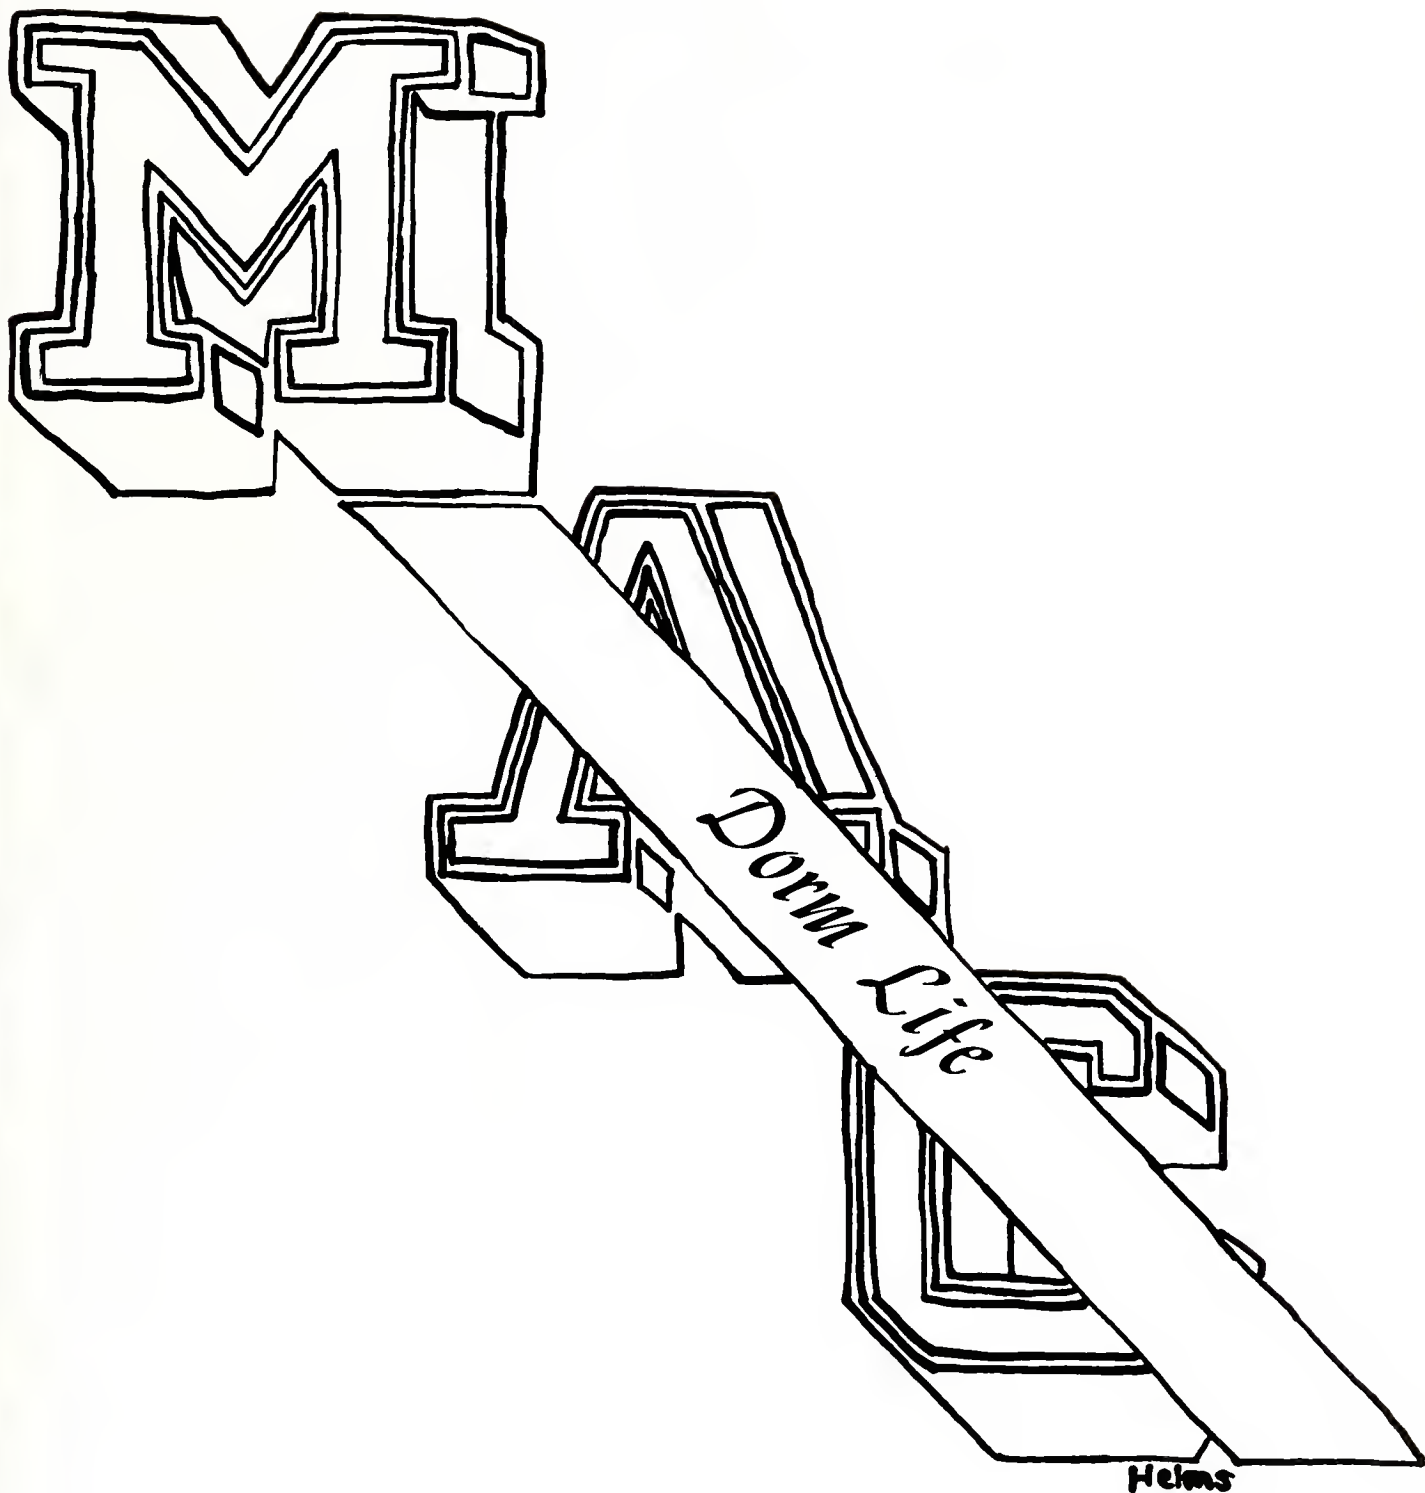

MAC held their fifth Annual Auto Rally this year. The Recreation Class worked hard in preparing this activity. They gathered people to participate, planned the route to be followed and furnished the prizes to be awarded. Even though the turnout was small it proved to be fun and the participants enjoyed themselves.

Quiet Places

Montreat supplies the student with many places to go to be alone with the Lord and thank him for everything he has given to us. We are surrounded completely by mountains and streams, which provide quiet surroundings and a pleasant atmosphere.

Davis Dorm

Davis Dorm is a men's dorm at MAC, which contains three floors and holds about 125 men. The dorm provides the campus with weekend dances in their second floor lobby.

They also host an annual Davis Jamborie, where a picnic supper is located outside their dorm and various activities are provided to entertain the students. Davis men have also been known to be the ones to start campus water fights and snowball attacks.

Groseclose Dorm

Groseclose Dorm, which was just open in recent years, is the smallest of the three women's dorms. This year they celebrated its final completion. It has an average of 50 girls located on three floors. The dorm sponsors the Annual Valentine's Dance for MAC students and their dates.

Montreat-Anderson Hall is a women's dormitory which has 130 women who live on four different floors. Each floor has its own personality and learn to share their lives with the others on their floor. Interaction between floors is also encouraged. Each floor has two hall counselors who help to build unity between the girls on their floor and to assist them in any kind of problems that may arise. The Lord Jesus Christ is strongly emphasized in the dormitory and each floor participates in floor Bible studies. Each floor also has their own verse to help them out in their spiritual growth. A dormitory Bible study is also provided for those who want to grow spiritual as a large group. Mrs. Sally Bixler, known as "Mom", and Mary Horner are dormitory residents, who provide counseling and assistance to all dorm residents.

McGregor Dorm has a warm, friendly atmosphere. The dorm has two floors and together the 80 girls form one happy family. Each floor, also, extends its own special personalities which are formed by the individualities of each girl. Hall meetings, dorm meetings, and parties are some of the characteristics of the dorm life existing in McGregor. The lobby is a favorite spot for playing backgammon and watching television.

The sign language club meets every week to learn new signs together and to talk to each other with their hands. The leader is Tara Rand, a student at MAC. The club went to various places to observe deaf people and how they communicate with one another. Among these places was a trip to Morganton, a school for the Deaf.

Missions Group

The missions group meet in order to learn about various types of missionary work they may do to serve Jesus Christ. They have different speakers come and talk to them and often see films about other parts of the world. This group is one way MAC reaches out to the needs of the world around us.

Wilderness & Conservation

The Wilderness and Conservation club is dedicated to the cleaning up of the campus's unsightly wilderness and grounds from trash and rubbish. They also respect the outside and try their best to care for the world God gave us.

Urbania — About twenty-five people from MAC attended the Mission Conference in Urbana, Illinois, during Christmas break. The people who attended came back filled with new ideas from different missionaries throughout the world. Funds were provided to some students by the Montreat Presbyterian Church and friends. The Urbana participants put on a chapel services for the MAC staff and students with much excitement and anticipation to share about missions.

Onward Urbana was held in Montreat the weekend of February 8-9. This was to carry through on what was learnt at the conference so the whole campus may be affected by the idea of missions.

Intramurals

Intramurals were played throughout the year in football, volleyball, basketball and softball games. Each sport was filled with excitement and tense competition.

Football championships were won by Howerton 2 and M-A Hall 5. Then Ma-Hall 4 and Howerton 2 lead the way and won the volleyball championships.

Basketball and softball are played through the spring with Howerton 2 and M-A Hall 4 as the predicted winners. It looks as if M-A Hall 4 and Howerton 2 took the intramurals this year.

THE GENERAL ASSEMBLY

Montreat students, being as close as they are, often show school support by attending sports games, participating in extra-curricular activities and other school functions. Being active in showing school spirit helps the students to grow emotionally and spiritually closer.

MAC Tennis

The women and the men, both, will have schedules matches throughout the Spring. They will be competing against other Junior and community colleges Conditioning for the teams begins shortly after Christmas break so that both teams may be in good physical shape to bring M-AC to many victories.

IN MEMORIAM

Montreat-Anderson College employees, Bruce Stiles (29) and Steve Keazirian (26), were killed on October 29, 1979, in an automobile accident. News of the death of the two young men stunned the college community. A memorial service was held in Gaither Chapel at 10 a.m. on October 31, with Dr. Calvin Thielman officiating.

Bruce had been on the M-AC campus for 10 years as a student, baseball trainer and cook. Dean Larry Wilson describe him as a giver, a quiet person who had done far more for the college and it's students than most realize. He was a member of Montreat Presbyterian Church. His funeral was held in Canton, NC on November 1.

Steve, although not a long-time resident of Montreat, had quickly won his way into the hearts of those who knew him. A hard worker and an outgoing and sincere person, he was popular with students and others. Randy Bowyer, former admissions counselor at M-AC and close friend of Steve, told students at the service that Steve had recently had a very deep experience with the Lord Jesus Christ. His funeral service was held in his hometown, Quincy, Massachusetts, on November 2.

THANK YOU

I wish to express my appreciation to all those who helped make this year's annual possible.

Mrs. Gibbs — the whole staff thanks you for all the time and devotion you put into the yearbook.

Mrs. Andrews — thanks for helping with the business part of the book and for helping to keep things going.

Ruth Caldwell — for helping with layouts and sells and for writing some of the sells.
Paula Neely — for helping with the selling and for typing some of the copy.

Tim Senter and Donna McFadden — for the pictures and the time it took to take them.

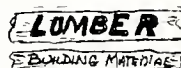

Karen Shetterly — For helping us get started and for developing the pictures with so little notice.

To The Staff — thanks for your devotion and prayers.

— The Editor.
